

♥ To Iranian people, ♥

I often wondered why some people, like me, are lucky enough to be born with stability, while you in Iran, are denied the same chances and have to fight for your rights. You deserve the same safety, freedom as everyone else. Keep to defy openly this repression. I stand with you and pray for a better future. Be loud, each of your voices matters and will be heard. We believe in your strength, you are not alone. Even when it feels like it, don't forget that your struggles aren't invisible and we are with you with all our hearts.
